PRAISE

Our Resident Permits were granted!

While we waited in the government

buildings during this process, Russ was able to befriend a Muslim man from India. The man helped us to know how to complete our paperwork. Later, he called Russ asking help for his brother's ill son. Russ was able to pray for him in Jesus' name. Please pray for this boy's healing and for the family to come to faith in Jesus.

Building the Kingdom

Pastor Karabo & the Shack church

Our goal while in Lesotho is to build the Kingdom of God. This includes evangelism and discipleship, but **we also see the need to literally "build."** Many local churches meet in shacks or rent a schoolroom/hall. For almost 7 years now, this church tabernacle near the town of Mafeteng has stood unfinished. The pastor and his congregation currently meet in a shack on the property. For years they have tried to complete the walls, but have not been able to finance the completion. Lesotho has extreme cold in the winter and it's impossible to use this structure without walls. The National Church leadership asked us to help complete this church building as one of our first projects. We finally have all the "red tape" completed and will begin buying supplies in the coming weeks. The local believers will be giving their manual labor to help complete the work. *Please pray with us for the completion of this church and for other churches to also be built in Lesotho.*
