YOUR MISSIONARIES TO LESOTHO

PRAISE

We are in Africa!

We arrived safely in Lesotho on March 25th!

We had to stay one night in South Africa before catching a flight the next day to Lesotho. When we arrived in SA, our friends were waiting to greet us, which showed us great love and care. Also, our missionary team jumped to the challenge of helping us with our luggage going to and from the airport. We've been truly blessed! *Thank you for praying for our safe travels!*

The past few weeks have flown by. Our first two weeks were spent gathering all the documents for our resident permits as well as learning how to get electricity, water, internet, etc. We have navigated getting groceries and buying some furniture. (Ruth now has a bed!) We have replaced the leaky water tank at the mission house and continue to work on other repairs and maintenance.

During our first month, we hosted the executive committee of the Assemblies of God in Lesotho at our home. We visited the Bible School campus in Maseru and also attended the Easter Conference at the AGL Conference Center, which included the Bible School graduation of over 40 students and also the ordination of pastors. This was a grand occasion due to the fact that COVID stopped them from having any ceremonies in the past 2 years. As we talk with the local pastors and Bible students, we are excited about the future possibilities for ministry.
