

SARAH CAREINS FEBRUARY 2015

Serving the Youth of SOUTH AFRICA

TUT STUDENTS = RIPE HARVEST

If God loves me, how could He let my parents die? How can I live for God this year? What's the difference between the New and Old Testament? Is homosexuality wrong? Is it a sin to have sex before marriage? What do I do if I have a crush on a guy?

Students have asked me each of these questions just in the past few weeks. Since the end of January, I've traveled to the Academic Openings of Tshwane University of Technology campuses and held trainings for their spiritual leaders. On every campus God has amazed me with His guidance and His answers for every question.

The reality of the lack of true discipleship and the lostness of students has broken my heart. I've watched as thousands of free condoms are handed to students as the answer for sexual promiscuity. The lack of Biblical knowledge even among those who are born again has scared me because so many are being led astray by false teachings. The truth is students are hungry for the TRUE ANSWERS!

THE HARVEST IS READY! THE LABORERS ARE FEW!

God has opened this amazing door of opportunity to reach the university! Pray that God would continue to guide me and also raise up co-laborers to reach this harvest field. Thank you for praying with me for students to find the answer of Jesus Christ!

- **WISDOM** beyond my years

In 2010 we revised and printed the book "The Youth Leader's Training Manual" as a resource for our South African youth leaders. Today Tshwane University of Technology has bought 400 copies of this book for their libraries. Students are able to check out these books to equip themselves in youth ministry. Amazingly in 2010, when I designed the cover I didn't know this book would end up in every TUT library. I also didn't know that one of the youth on the cover would now be a student at TUT! She's a little shocked to find herself on the front cover of a book in her school library! This is just another confirmation that the Lord is directing my steps!

Eat Grass & Drink Petrol?

TUT students at the GaRankuwa campus are being deceived by a false prophet in believing God has told them to eat grass and drink petrol. If you would like to view the news report videos and my encounter with this, check out my blog. Scan the QR code or visit www.sarahcareins.blogspot.com.
