THE UNFINISHED TASK

"You don't measure yourself by your success. You measure yourself against the unfinished task."
-Loren Triplett

The unfinished task in Africa is great. There are many people who have yet to hear the message of the gospel of Jesus Christ.

My heart is broken for the unfinished task in South Africa. Other African nations are now sending their own missionaries, but the International Assemblies of God in South Africa has yet to send one of their own missionaries to the unreached parts of the world.

Please PRAY with me that revival will come to South Africa. The affects of Apartheid still linger. The South African church needs a revival of the Holy Spirit resulting in brokenness, repentance, and forgiveness. Self entitlement must be removed and replaced by selflessness.

I truly believe God is getting ready to raise up the South African church to DO MISSIONS. They are no longer going to just receive missionaries. They are going to BECOME MISSIONARIES! Where will these missionaries arise from? The YOUTH! The UNIVERISTY CAMPUSES!

The Lord is strategically getting ready to raise up a generation that will become a dynamic force to reach the unreached...so that all can hear the gospel message. Will you partner with me to complete the unfinished task in South Africa?

"For such a time as this..." NOW is the time...
...THANK YOU for helping complete the UNIFINISHED TASK!
