## A TEAM EFFORT

The **JOY** of working with the Assemblies of God World Missions (AGWM) is knowing that I am not alone—but I am working with a team of other missionaries. In South Africa, there are other missionaries working with the Children's Ministry, Bible Schools, etc. If we don't have ministry for the youth, the seed in those children's lives will be lost. If we don't reach the youth, the Bible Schools will not have any students. It takes a team effort to reach South Africa for Jesus! **This team reaches beyond South Africa to the continent and then to the world.** (You are also a part of this team!)

During the month of February, I traveled to Nairobi, Kenya, to meet with other AGWM missionaries who have the desire to reach the universities of Africa. Our goal was to gain vision by visiting the university ministry that missionary Brent Hanson founded 10 years ago in Nairobi, Kenya. As we experienced the vibrant ministries on these campuses, we began to dream of what might be possible for the rest of Africa. ***Praise the Lord that God is raising up a team of missionaries to reach the universities of Africa.***

University students are the future leaders... reaching them will truly impact Africa for Christ!

The day after Christmas I left for South Africa. After hearing about all the snow and cold weather you've experienced, I believe God had the perfect timing to bring me back to warmer weather. I'm not here for the weather though. God has called me to reach the youth of this nation.

**THANK YOU** to all of you who made this possible. **THANK YOU** for your prayers and support!
