## TEAM BUILDING

*"Miracles usually have two elements: The God-element and the human-element. In other words, God ordains something, but He also ordains someone to carry it out."*

-Renay West, from her book *180°to Freedom*

Do you ever feel like you are at the end of yourself? You've done everything you can possibly do. You need a miracle! This is where I'm at right now. Since returning to the USA in December 2012—I've prayed, visited churches, made phone-calls, sent emails, mailed letters, and traveled thousands of miles. The fact is that "I" can't raise my budget. Ultimately, God does the miracle!—but He often uses the human-element to do it.

The National Youth Ministries of the International Assemblies of God in South Africa just held their 2nd Annual National Youth Leadership Summit. One of their activities was to work as a team to see who could build the highest human tower. Through this simple activity, we can see the power of joining together. I need the body of Christ to help lift me up in prayer and partner with me to reach the youth of South Africa.

*Will you join the team of supporters to reach the youth of South Africa? Will you be a part of the miracle?*

### Here are ways YOU can help BUILD the Disciple-Africa TEAM:

- PRAY!** (see below prayer requests)
- GIVE.** My urgent need is monthly support—if you already support me, would you consider an increase? If you are not a monthly supporter, would you consider joining the team? (A commitment form is included with this newsletter. Before I can return to South Africa, I must show that I have enough support committed. \*If you've already filled one out and there are no changes to be made, then your old one is still active.)
- TELL OTHERS.** Word of mouth is one of the biggest ways the team can be built. Share with your friends or other pastors the need to partner with me to reach the youth of South Africa.

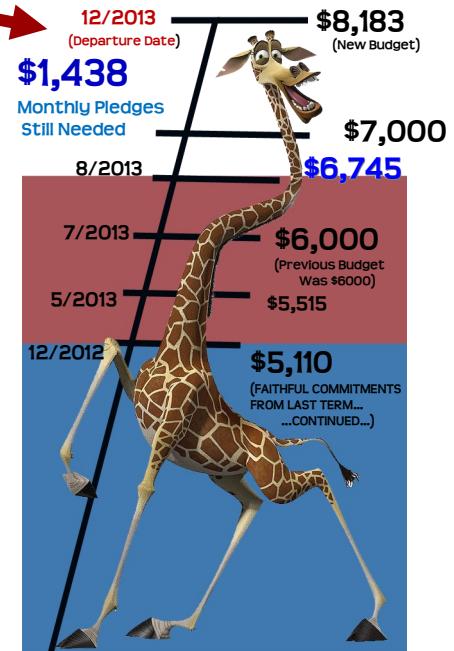

## PRAY

- Pray for the national church to continue to move forward in youth ministry efforts
- African Youth—salvation & discipleship
- Holy Spirit Revival in SA
- Faithful monthly support
- 2013 Itineration—connections to be made, support to be raised, God's guidance as I minister in USA
- God's protection, anointing, & favor on my life—Above all, God USE me!
- WISDOM beyond my years

The deadline is quickly approaching. Support needs to be raised by Nov. 1st so I can prepare to leave in December for my next 4 year term.
