CURRENT MINISTRY

Russ and Sarah will be serving in Lesotho, Africa, by evangelizing the lost and partnering with local believers to establish and build churches through discipleship, evangelism, and youth development. The Farhouds plan to assist the national church in building tabernacle structures where local pastors and congregations already exist but lack the proper building to meet in. Another project includes assisting the Bible school with a new library and classrooms to help train pastors.

PREVIOUS MINISTRY

Russ ministered as the assistant pastor in Killeen, Texas, from 2012 to 2018. Sarah served as a missionary in South Africa, developing their national youth programs and university ministry from 2007 to 2017. In 2018, the Farhouds became AGWM missionaries and spent more than a year in language school in Spain. They have served in Lesotho since March 2022, assisting in building two churches and making many repairs to the Bible school.
